

1997 ASSEMBLY JOINT RESOLUTION 131

April 30, 1998 - Introduced by COMMITTEE ON ASSEMBLY ORGANIZATION, by request of Representatives Freese, Albers and Spillner, and Senators Schultz and Welch. Referred to Committee on Rules.

1 **Relating to:** petitioning the federal government to support the recommendations of
2 Representative Klug's task force on the Badger Army Ammunition Plant.

3 Whereas, the future use of the Badger Army Ammunition Plant, which is
4 located between Baraboo and Sauk City, is an important issue; and

5 Whereas, Representative Scott Klug has headed a task force on that subject;
6 and

7 Whereas, that task force recommended that aids in lieu of taxes be paid on that
8 property, that federal support for environmental remediation and the removal of
9 unsafe structures be continued, that contracts that authorize use of part of that
10 property and the railroad line be continued, that adverse effects on the owners of
11 adjacent land be avoided, that the land be used in a number of compatible ways and
12 that ownership and management of part of the land be transferred to this state; and

13 Whereas, the task force's recommendations are sensitive to the needs of the
14 area in and around the plant and are rational; now, therefore, be it
